

# ATHLETIC AND SPECIFIC CO-CURRICULAR ACTIVITIES INSURANCE INQUIRY

Through the Kansas State High School Activities Association, the Shawnee Mission School District provides lifetime catastrophic medical insurance for students injured while participating in activities under the jurisdiction of the KSHSAA. The deductible for this program is \$25,000 per accident.

The Shawnee Mission District does not carry accident insurance to cover medical expenses up to the \$25,000 deductible of the KSHSAA plan for injuries to students while participating in athletics and co-curricular activities. The district does provide a voluntary accident insurance program for patrons to cover medical expenses below the \$25,000 deductible while participating in athletics and co-curricular activities. Information on these programs is available in the school office or we can arrange for it to be sent home with your student.

The interscholastic football insurance plan covers football only. The other insurance plans cover all other sports and co-curricular activities.
